## *A New Year Means Another Yearly Recheck!*

Looking for a refresh while the market is fresh?  
I'll help you start the New Year off with a bang!

***Call Me!***

### **Test, Check, Assess! Easy steps to creating a healthier, happier home!**

**With the start of the new year it's important to recheck your detectors and be informed on the health of your home!**

#### **Carbon Monoxide and Smoke Detector:**

- Dust your detectors before testing
- Ask a friend or family member to stand on the opposite side of your house (furthest from the detector).
- Have them listen for the alarm to test the loudness of the alarm.
- If the alarm is muffled or quiet change your batteries!
- if after the batteries are changed, the alarm is still quiet, replace the device.
- Detectors should be fully replaced after 10 years as they have a decade shelf life.

#### **Replace with Comprehensive Detectors:**

If you have propane or natural gas powered appliances you should invest in gas-leak monitors and air quality monitors to test for volatile organic compounds (VOCs)

#### **Consider Testing for Radon:**

As one of the leading causes of lung cancer after smoking, Radon, an odorless, invisible radioactive gas, can be in any home. To test for Radon, purchase an at home test or hire a professional to check the levels in your area.

#### HEAT & AIR

Most air conditioning problems are preventable; caused by installation errors, a lack of maintenance or mistakes during operation. Once our technicians have dealt with the problem, we will give you advice on how to prevent such problems in the future.

#### PLANNED MAINTENANCE

Planned maintenance is key to making sure your heating and cooling system is in top shape at all times. Think of a planned maintenance agreement as an investment into your investment.

#### AIR PURIFICATION

Headaches, respiratory infections, aggravated symptoms of asthma and allergies, sneezing, coughing, and watery eyes are all signs of indoor contaminants. Through proactive measures, you can greatly improve the quality of the air in your property.

### Dependable Heating, Cooling & Air-Purification Services

**HVAC MAINTENANCE • MECHANICAL SHEET METAL • DUCTWORK
